#StillServing During the COVID-19 Pandemic

We want to share your stories and inspire others

Apr 02, 2020

The COVID-19 pandemic is affecting the lives of every citizen in the world.

In America, we know our veterans are #StillServing and rising to meet the challenges of this uncertain time.

If you — or a veteran you know — has stepped up to help others and your community in this unfolding situation, please take a moment to let us know what you're doing.

We want to share your stories and maybe even inspire others across the country to do the same.

Thank you for your service — and thank you for #StillServing!
