Since 1899, the Veterans of Foreign Wars has sought ways to help and encourage those veterans in uniform and recently discharged and their families. In recent years, we have received numerous requests from these individuals requesting dollars for education and training. The VFW Military Family Scholarship is our response to those requests.

The program provides fifty \$1,500 scholarships each year to VFW members (minimum 2 years) who are currently serving in uniform or have been discharged within the thirty-six (36) months prior to the December 31 deadline each year. The scholarships will be awarded during the first quarter of the year following the deadline. Winners will be selected from entries received throughout the year and based on the entry form included in this brochure.
