Please complete the information, sign and mail it to the address listed on the bottom of the form. All information is optional with the exception of your name and post number. If you would rather not submit a photograph we will insert your branch of military service logo in the picture frame. To view a sample Honor Roll listing, go to VFW Lifelong MeMories page and select "search for an Honor Roll or Lifelong MeMories" entry. When the search screen appears, type in the last name (2 examples would be Ridgley or Crow), click on the name or photo and the Honor Roll listing will display.

At any time your MeMber Honor Roll can be converted to a Lifelong MeMories⁷ package, complete with images, text and tributes from family, friends and other VFW members. Lifelong MeMories is the ideal way to share your life story with your friends, family and future generations.
