VFW-Supported Amendment Passes Senate: The Senate passed an amendment to the Military Construction, Veteran Affairs, and Related Agencies Appropriations Act, 2024. In July, the VFW testified in favor of H.R. 705, Veterans 2nd Amendment Protection Act, which mirrors the aforementioned bill. This amendment would block VA from automatically referring veterans with fiduciaries to the National Instant Criminal Background Check System (NICS), which prohibits the ownership of firearms. It would also require that any VA referrals to NICS must first have the order of a judge indicating that the person is a danger to themselves or others. The VFW sees this as a necessary step to ensure the right of due process for veterans. Read more.
