CEREMONIAL RIFLES, AMMUNITION, AND EQUIPMENT (TACOM)
POLICY AND INSTRUCTIONS FOR CONDITIONAL DONATION OF MILITARY EQUIPMENT, CEREMONIAL RIFLES AND BLANK AMMUNITION TO VETERANS ORGANIZATIONS

MILITARY EQUIPMENT

Regulations, procedures, and prices for obtaining blank ammunition, surplus rifles, and other military equipment available for donation are subject to change without notice.

Be advised all requests for surplus military equipment must first go through the Veterans of Foreign Wars (VFW) National Headquarters in Kansas City, Missouri to verify the legitimacy of the post making the request.

The VFW National Headquarters is only authorized to handle requests from chartered VFW posts in good standing. Once verification has been made, the VFW National Headquarters sends requests to the appropriate agencies for processing. When requests are made to Congressional offices or other military departments, without the proper verification and endorsement, the acquisition process is significantly delayed. Separate letters must be sent for each type of equipment being requested. If both rifles and ammunition are needed, separate requests should be forwarded to the VFW National Headquarters as two different agencies, the US Army Joint Munitions Command in Rock Island, Illinois and the US Army Tank-Automotive and Armaments Command (TACOM) in Warren, Michigan will be handling the items.

Requests are to be made on post letterhead and contain the following:
Post name and number
Address (not a PO Box number)
Telephone number
Email address
Post Commander, Adjutant or Quartermaster must sign request.

These are requirements set forth in new policies and procedures established by the United States Army. Any correspondence lacking any of these items will be returned to the post causing a delay in processing. Posts are reminded equipment donated by the Department of the Army to VFW posts remain the property of the United States Army. Transfer of any equipment obtained through the Ceremonial Rifle and Static Display Program is unauthorized without the written permission of the U.S. Army Tank-Automotive and Armaments Command (TACOM).

Posts receiving surplus equipment, rifles, static display items, etc. can expect periodic inspections to assure accuracy of information provided by the donor and compliance with the terms of this Conditional Deed of Gift, proper storage and handling, etc. Ceremonial Rifle Inventories are to be completed upon issuance and every three years thereafter; static displays are to be reported via an Annual Certification form with a current photograph upon issuance and every year thereafter. These programs are to be at no cost to the government even though posts may have to pay (or have paid) for handling, shipping, packaging, crating, etc., the items that are "on conditional loan" from the Department of the Army.

For additional information and the respective forms, please visit the Army Donations Program Office (ADPO) website at https://www.tacom.army.mil/ilsc/donations.

BLANK AMMUNITION

A written, formal request must be completed and signed by the current Post Commander, Adjutant or Quartermaster, one of who needs to be the contact person. The written request must include that contact person’s residential mailing address (street number) and phone number, not the Post’s and an email address if
available. Address the request to the Adjutant General, VFW National Headquarters, 406 W. 34th St., Kansas City, MO 64111. The approved request is forwarded by the National Headquarters to the Commander, US Army Joint Munitions Command in Rock Island, Illinois for processing.

The .30 caliber blank ammunition (1,240 rounds) is sent in a metal can in a wooden box. Quantity is limited to two (2) boxes (2,480 rounds total) and is provided free with no shipping charges. Clips are also available and are issued in increments of 25 with a maximum of 100.

Between six (6) to eight (8) weeks after Rock Island processes the request, the blank ammunition is shipped via FEDEX Ground from Lake City Army Ammunition Plant, Independence, Missouri. The recipient will be notified of the tentative ship out date by letter from the US Army Joint Munitions Command in Rock Island, Illinois. Normal FEDEX Ground delivery is Monday thru Friday between 9 a.m. and 5 p.m. Prefer the blank ammunition be shipped to a residence and not to the post. A signature is required upon delivery. If absolutely necessary to be delivered to the post, an Officer’s signature is required. Delivery to the post will be addressed on a case-by-case basis with the US Army Joint Munitions Command.

Blank ammunition is authorized for use ONLY in conditionally issued US Army owned ceremonial rifles. Blank ammunition is not authorized to posts who receive rifles through any other source. The use of blank ammunition obtained from sources other than the US Army Joint Munitions Command is prohibited as it may result in damage to the rifles. More importantly, it could cause harm or serious injury to the user.

For additional information and access to the order forms requesting blank ammunition, please visit the Joint Munitions Command (JMC) website at https://www.jmc.army.mil/ceremonialammo.aspx.

NOTE: The US Army Joint Munitions Command will contact the ADP office to confirm that the respective post has qualified for US Army owned ceremonial rifles and that the post is up to date on all the mandatory reporting requirements.

**RIFLES**

Under the provisions of Public Law 1028, Title 10 United States Code (USC) 7683, the Secretary of the Army, under regulations prescribed, may conditionally lend or donate excess M-1 rifles (not more than 15), slings, and cartridge belts to any eligible organization for use by that organization for funeral ceremonies of a member or former member of the U.S. Armed Forces, and for other ceremonial purposes. The Veterans of Foreign Wars (VFW) is only authorized to handle requests from chartered VFW posts in good standing. The Army Donations Program Office (ADPO) at the Detroit Arsenal in Michigan is responsible for the issuance and management of rifles for ceremonial use. Title 10 USC 7683 allows conditions to be imposed on the use of the rifles as may be necessary to ensure security, safety, and accountability. The Secretary of the Army may impose such other conditions as considered appropriate.

A VFW post with more than 15 ceremonial rifles is required to return to the US Army the balance of the rifles in order to be in compliance with federal law. If this situation exists, the VFW post will request disposition instructions from the ADPO. Specific return instructions will be provided from the ADPO to the respective VFW post as no weapons are turned directly into the ADPO. No further ceremonial rifles or ammunition will be issued until the VFW post is compliant.

A VFW post wishing to obtain rifles for ceremonial use should forward its request through the VFW National Headquarters. Address the request to the Adjutant General, VFW National HQ, 406 W. 34th St., Kansas City, MO 64111. The request should be on post letterhead with a street address (not a PO Box number), contact person with telephone number, email address and the number of active organization members. It should be signed by the Post Commander, Adjutant or Quartermaster. State the number of rifles
desired up to a maximum of 15. The request is endorsed by National Headquarters stating that the post is chartered and in good standing and eligible to participate in the ceremonial rifle program, then forwarded to U.S. Army TACOM, 6501 East 11 Mile Road, ATTN: AMTA-LCL-IFD, MS:419D, Detroit Arsenal, MI 48397-5000 for processing. An email address is: usarmy.detroit.tacom.mbx.ilsc-donations@mail.mil. The ADPO may be reached by calling (586) 282-9861. You are required to leave one voice mail message. Due to the high volume of inquiries, allow 30 days for a response. Email requests cannot be processed, as the signed original must be forwarded.

Once the ADPO receives the endorsed request, forwarded by the VFW National Headquarters, processing will begin and an eligibility package will be sent to the post. This package will include the checklist and forms required for completion by the Post Commander, Adjutant or Quartermaster. Return the original forms to the ADPO. Presently it takes approximately ninety days for rifles to be shipped after receipt of the eligibility requirements from the post.

Currently, M1 Garand rifles are available for ceremonial use on a conditional basis. These rifles are shipped from the Civilian Marksmanship Program. Normal Overnight FEDEX Ground delivery will be Monday through Friday between 9:00 am and 5:00 pm. **Ceremonial rifles remain the property of the United States Government. The rifles cannot be loaned, sold, transferred, or given to anyone else without the written approval of the ADPO.** If for any reason the post no longer requires the use of the conditionally loaned rifles, submit a written request to U.S. ARMY TANK-AUTOMOTIVE AND ARMAMENTS COMMAND, 6501 East 11 Mile Road, Attn: AMTA-LCL-IFD, MS:419D, Detroit Arsenal, MI 48397-5000. **NEVER** return any weapons to TACOM.

In most cases, the ADPO will request boxes and prepaid shipping labels to assist with the return of rifles. After the rifles are returned, provide a copy of the receipt to the ADPO for validation of the return. Upon request, they will send a letter to absolve the post of the responsibility/accountability for the returned rifles. All blank ammunition must be removed from rifles prior to returning.

If rifles are no longer in the possession of the post, it is a requirement to state what happened to them. Either a notarized statement signed by the commander describing the circumstances surrounding their loss and the action(s) taken to recover the rifles or a police and/or fire report is required. Send this information to the ADPO for review. After review, a determination is made as to the liability for the missing/lost/stolen rifles. The post will be notified if reimbursement costs are required. An inventory is required every three years from the date of issue or upon request. Care and maintenance of the conditionally loaned rifles is the responsibility of the post.

Slings are not provided through the ADPO. The post may order them from commercial resources. Two known sources are: Amherst Arms or Fulton Armory. Contact Amherst-Arms at 941-475-2020 or www.amherst-depot.com or Fulton Armory at 301-490-9485 or www.fulton-armory.com. The Army does not endorse any specific commercial source for rifle accoutrements.

**STORAGE AND SECURITY OF CEREMONIAL RIFLES**

Storage of the loaned ceremonial rifles is at the discretion of the post, as long as they comply with local/state/federal regulations. Organizations are to provide the storage location of the weapons by submitting a Certificate of Arms Storage form. If the location changes a new form must be resubmitted to the Army Donations Program Office (ADPO). This form must be completed and signed by the Commander, Adjutant or Quartermaster.
DAMAGED OR UNSERVICEABLE M1 RIFLES

If a ceremonial rifle is no longer functioning, the post is required to send the following information to the Army Donations Program Office (ADPO): Model, manufacturer, serial number and a description of the problem(s) with the rifle. Please note that rifles are not replaced for cosmetic reasons.

POLICY AND PROCEDURE FOR ACQUISITION OF COMBAT EQUIPMENT FOR DISPLAY AND MONUMENTAL PURPOSES

The Army Donations Program office (ADPO) may also conditionally provide obsolete or condemned Army combat equipment under the provisions of Public Law 100-456, Title 10 United States Code 2572. Equipment is for static display only and is not in working condition. This program does not have jeeps or vans for driving. Jeeps are no longer available to the public.

All requests for tanks, field artillery pieces, mortars, etc., should be directed to Adjutant General, VFW National Headquarters, 406 W. 34th St., Kansas City, MO 64111. This headquarters is only authorized to process requests from VFW posts. Requests are to be made on post letterhead and contain the following: post name and number, address (not a P.O. Box number), email address, name of contact person with telephone number and number of active organization members in the post. All requests must be signed by the Post Commander, Adjutant or Quartermaster.

Conditional donations of obsolete, condemned combat equipment for display are made at no expense to the government. The costs for construction of a display site, limited demilitarization and removal of radiological material (when applicable), release and transportation costs, must be paid by the requesting organization. (Do not prepare a pad until notified in writing by the ADPO.) Once the VFW National Headquarters receives the request for a piece of equipment, it will be verified that the post is chartered, in good standing and eligible to participate in the program. The request is forwarded to the ADPO at TACOM, Detroit Arsenal, Michigan. The VFW National Headquarters does not have any forms or information as to what is available. Once the ADPO receives the request, they prepare an official packet and sends it to the post. The post then reviews all rules, regulations, requirements, and can make a final decision if the equipment is still desired. Unfortunately, at this time, Army equipment is not readily obtainable for use as a conditional static donation. It is recommended your post submit the initial eligibility requirements to the ADPO to remain in an open status for a period of three years. If an asset does not become available within three years, the request is cancelled, and your post will have to reapply.

The post has the responsibility to maintain and display the Army asset in such a way that honors and upholds the image of the United States, our military forces and veterans. The post is required to submit an annual certificate and a photograph of the displayed item on the anniversary date of the conditional issue. In the event your organization no longer has a requirement to display the item, you are required to contact the ADPO for turn-in procedures. Posts are not authorized to loan, sell, transfer, move, abandon or give the asset to any other individual or organization.

The ceremonial rifle and ammunition programs are conducted in accordance with Title 10, United States Code § 4683 (Per Army Regulation 700-131).
Before you can request ceremonial ammunition, you must first start with TACOM to get your rifles. JMC can’t provide ceremonial ammunition to organizations that use privately-owned weapons or that borrow weapons from another organization.

TACOM requires a certification on the inventory of weapons once every three years, which must be completed prior to submitting a ceremonial ammunition request to JMC.

Discrepancies between TACOM records and Veterans Service Organizations inventory can take quite some time to rectify and can cause delays, so we suggest you start your request process early.

If you DO NOT have TACOM rifles assigned to you, you will need to complete the request forms to get them.

Go to: WWW.TACOM.ARMY.MIL/ILSC/DONATIONS/RIFLES

Complete form: CEREMONIAL RIFLE INVENTORY FORM, ADPO R-3
Check on your rifle and make sure you list the correct model, manufacturer, and serial numbers.

Complete your organization name and post number if applicable.

Check the box to certify that you still agree to the conditional deed of gift that was originally signed when you recieved your rifles.

Have the officer at your post sign and date the second page of the form. Include a 10-digit phone number and valid email address.

**This form is required to be notarized.**
