

VFW to Stream Live from the Nation's Capital

Don't miss the 2012 VFW Legislative Conference

Feb 27, 2012

Each year, the VFW Legislative Conference provides hundreds of VFW members and leaders the opportunity to speak with lawmakers, taking the voice of American veterans directly to The Hill.

VFW's live stream will begin on March 4, 2012 at 6:00pm (EST) with the annual Voice of Democracy Parade of Winners, followed by streaming video of the VFW Commander-in-Chief, Richard DeNoyer's testimony to a joint hearing of the Senate and House Committees on the afternoon of March 7, 2012.
