As July 4th approaches, with unemployment rates for some groups of veterans hovering over 18%, **IFA** is partnering with **The Veterans of Foreign Wars (VFW)** and the U.S. Chamber of Commerce **Hiring Our Heroes** initiative to launch new tools and resources June 28, 2012 in 13 cities to help veterans access opportunities in small business ownership and employment including a new free online **Veterans Franchise Toolkit** and a new **Mentor Network** to connect veterans to business leaders and jobs.
