

Governor Romney to Address VFW National Convention

Jul 12, 2012

The presumptive Republican candidate for this fall's presidential election has accepted an invitation to speak before the 113th National Convention of the Veterans of Foreign Wars of the U.S., which begins July 21 at the Reno-Sparks Convention Center in Reno, Nev. The event is closed to the public.

"We are most appreciative to Governor Mitt Romney for again taking time to address America's oldest and largest major combat veterans' organization," said VFW National Commander Richard L. DeNoyer, a retired Marine and Vietnam combat veteran from Middleton, Mass. The governor spoke at the VFW's 112th National Convention in San Antonio last August.

Governor Romney is scheduled to speak on July 24, one day after President Obama, which continues a long standing VFW tradition to provide a platform for those seeking the nation's highest office to address issues of importance directly to veterans, military service members and their families. DeNoyer said this is especially important during a time of war and instability abroad, and economic belt tightening at home.

"We hope to hear how both candidates will take the fight to our enemies and keep America safe through strong national defense and homeland security programs," he said. "We also want to know how they will create, enhance and protect veteran and military healthcare programs and Quality of Life initiatives, to include educational benefits and military retirement programs, as well as how they will improve veterans' job training and employment opportunities, and eliminate veterans' homelessness. We would also greatly appreciate hearing their commitment to returning our fallen from their battlefields."

Up to 12,000 VFW and Ladies Auxiliary delegates are expected to represent the organization's total membership of 2 million at the weeklong convention. Their mission is to approve new national priorities to guide the VFW as it lobbies Congress on issues important to the nation's veterans, service members and their families. Convention delegates will also elect a new VFW national commander and recognize prominent individuals and organizations for their support of veterans, the military and the nation.
