## AHC Teams Up with Top Military Support Organizations

May 26, 2016

(Silver Spring, Md.) — American Heroes Channel (AHC) today announced **SALUTE TO SACRIFICE** 2016, the network's second-annual multi-platform campaign honoring the valor and selflessness of our nation's veterans and active duty service members. Together with partners and veterans support groups The American Legion, The Bob Woodruff Foundation, Got Your 6, United Service Organizations (USO), Veterans of Foreign Wars of the United States (VFW) and Blue Star Families, AHC will honor those who defend our country and our freedom. Through PSAs, on-air and online resources, and a full day of the network's signature history programming airing on Memorial Day, AHC will provide a broad platform for highlighting issues faced by our armed forces and their families.

"Celebrating the service and sacrifice of our nation's military, who have made our country what it is today, is the heartbeat of AHC," said Kevin Bennett, executive vice president and general manager, American Heroes Channel. "AHC is proud to both honor and drive awareness for the issues faced by these individuals and their families by teaming up with the very best military organizations. Together, we're opening the dialogue and providing resources for Americans to show their appreciation—and to make the lives of these courageous heroes a little easier."

About AHC's 2016 **SALUTE TO SACRIFICE** Veterans Support Groups and Partners:

With a current membership of 2.2 million wartime veterans, **The American Legion** was founded in 1919 on the four pillars of a strong national security, veterans affairs, Americanism, and youth programs. Legionnaires work for the betterment of their communities through nearly 13,500 posts across the nation.

**The Bob Woodruff Foundation** (BWF) is the nonprofit organization dedicated to ensuring that post-9/11 injured service members, veterans and their families thrive long after they return home. A national organization with grassroots reach, the Bob Woodruff Foundation complements the work of the federal government —diligently navigating the maze of more than 46,000 nonprofits providing services to veterans—to find, fund and shape innovative programs and hold them accountable for results. To date, BWF has invested more than \$30 million in solutions, reaching more than 2 million service members, support personnel, veterans and their families. The Bob Woodruff Foundation was co-founded in 2006 by award-winning ABC news anchor Bob Woodruff and his family, whose experiences inspired them to help make sure the nation's heroes have access to the high level of support and resources they deserve, for as long as they need them. Got Your 6 believes that veterans are leaders, team builders, and problem-solvers who have the unique potential to strengthen communities across the country. As a coalition, Got Your 6 works to integrate these perspectives into popular culture, engage veterans and civilians together to foster understanding, and empower veterans to lead in their communities. Since 2013, Got Your 6 has distributed grants totaling more than \$5 million to a dozen veteran-focused non-profit partners. For more information visit [www.gotyour6.org](http://www.gotyour6.org).
