

VFW, Ace Hardware Honor Veterans with 1 Million American Flags

The VFW and Ace collaborate to distribute 1 million American flags nationwide this Memorial Day

May 08, 2018

KANSAS CITY, Mo. – In the true spirit of Memorial Day, the Veterans of Foreign Wars of the U.S. (VFW) is collaborating with [Ace Hardware](#) to honor veterans by pledging to give out 1 million American-made flags nationwide. On Saturday, May 26, consumers are encouraged to visit participating Ace stores to receive a free 8” x 12” American flag*, while a second flag is donated to a local VFW Post to be used for marking and honoring veteran graves this Memorial Day.

“We are thrilled to continue our long-standing history of honoring veterans by supporting VFW Posts and local communities this Memorial Day,” said John Surane, Executive Vice President for Ace Hardware. “The sacrifices that these men and women have made for their country is something that should be recognized every day, and we at Ace want to make this Memorial Day even more meaningful. We applaud the VFW for the incredible support they’ve provided veterans nationwide for nearly 119 years and are grateful to be able to work together with our loyal customers and show our support this Memorial Day.”

“Working alongside Ace to support our veterans is a natural fit – their stores are located in communities across the country, just like our local Posts,” said VFW National Commander Keith Harman. “We are grateful to receive this donation from Ace Hardware and their consumers, and we look forward to honoring our veterans in a big way this Memorial Day.”

The 1 million American flag giveaway aligns with Ace Hardware’s long history of supporting veterans nationwide. Ace’s very name is a commemoration of the “Flying Aces,” the courageous fighter pilots from the First World War. Ace’s patriotism continues through the support of its veteran retailers, and the sincere appreciation for all the veterans and active-duty military who work in [Ace stores](#), distribution centers and its corporate offices.
