

Veteran and Dog Lend Help Across the Country

Veteran Jonathan Williams and his service dog, Tank, help fight veteran suicide

Oct 03, 2023

Jonathan Williams lives in Hope Mills, North Carolina, with his service dog, Tank, who helps calm him when he experiences anxiety and is in large crowds.

Together, the pair are #StillServing by traveling the country with Soldier Solutions to raise money for Train a Dog, Save a Warrior (TADSAW). The program provides service dogs to veterans at no charge, something Williams is passionate about.

“Tank and I are #StillServing in this way to help fellow veterans get the service dogs they need so they don’t become one of the 22 veterans who succumb to suicide each day,” he said.
