

Purchases Support Veterans

VFW Store offers products for everyone

Nov 15, 2023

Every time you purchase from the VFW Store, you support veterans, military service members and their families.

With that in mind, VFW continuously adds new merchandise to its inventory. VFW will kick off its 125th anniversary celebration at its national convention next summer in Louisville, Kentucky. Be among the first to get VFW's "Established in 1899" products.

For those cool, rainy days, check out the VFW color block rain jacket, available in sizes small through 3XL. It is 100 percent water resistant with hook-and-loop pockets. The front left chest features an "Established in 1899" patch, showcasing the year our organization was founded.

For those with long hair, check out the new patriotic ponytail ball cap. An elastic crisscross opening down the back makes room for the ponytail. A gray U.S. flag patch is sewn onto the front of the cap, and a small red tag on the front reads "Est. 1899".

Additionally, a variety of new polo shirts, T-shirts, hoodies, jackets, and more are in stock now and ready for immediate shipment when you place your order with the VFW Store.

New polos are also available in heathered red and heathered blue. Shirts come in cuts for both men and women and the VFW Logo is embroidered on the left chest. All four polos are tagless, for a comfortable fit.

Already a top seller, the new RED Friday T-shirt is printed front and back with a sublimated design. It's available in sizes small through 4XL.
