

VFW National Commander Reacts to Resolution on Military Promotions

‘Let’s remember, veterans vote’

Dec 07, 2023

WASHINGTON — “The VFW is relieved the nearly year-long obstruction of hundreds of general and flag officer promotions has ended thanks in large part to Senators and fellow VFW members Dan Sullivan and Joni Ernst. The hold on military promotions was endangering our national security and that of our allies, further jeopardizing the sustainability of our all-volunteer force, and negatively impacting the lives of countless service members and families. Going forward, we urge Congress to work together to resolve political disputes within the halls of Congress and permanently abandon the dangerous practice of casting partisan politics on to those wearing the cloth of our nation. Let’s remember, veterans vote.” — VFW National Commander Duane Sarmiento
