KANSAS CITY, Mo. – With its 2023 Legislative Conference just weeks away, the Veterans of Foreign Wars (VFW) has launched its updated mobile event app to give attendees the tools needed to make the most of their visit to the nation's capital. As the official guide to the 2023 VFW Legislative Conference, the **VFW Events** mobile app is available for download now at both the [Apple App Store](#) and the [Google Play Store](#). For assistance and instructions on how to download and update the app, view our [VFW Events App Quick Start Guide](#).

The updated VFW Events app ensures attendees will receive important notifications and reminders throughout the conference, have instant access to the daily agenda, the opportunity to connect with other attendees and more. The app also offers a complete legislative directory to make locating and communicating with lawmakers easy.

If you are attending the conference, help promote the VFW's veterans' advocacy efforts by sharing pictures and videos to social media from your visits with members of Congress using **#VFWDC2023**.

If you are not able to attend the VFW Legislative Conference, you can still watch events from the conference live beginning with the Parade of Winners Monday, March 6, at 6:00 p.m. EST at vfw.org/VFWDC2023, and culminating with VFW National Commander Tim Borland's testimony before a joint session of the House and Senate Veterans' Affairs Committee on Wednesday, March 8, at 10:00 a.m.
