KANSAS CITY, Mo. – Sport Clips Haircuts presented a check to the VFW Foundation for \$1.3M toward veterans' scholarships and offered free haircuts to veterans today. The donation event was held at VFW Post 7397 in Lenexa, Kansas, and marks the eighth year in a row of donating more than \$1M for the [Sport Clips VFW Help A Hero Scholarship](#) program. Administered by the Veterans of Foreign Wars (VFW), Help A Hero has grown to be the largest scholarship program of its kind, offering service members and veterans support for education often needed in post-military careers. In addition, we're pleased to announce that [175 scholarships totaling nearly \\$800,000 were awarded](#) by the VFW for the spring 2024 semester.

"It is important to us as a company to thank and support others, whether it's professional stylists in our stores or the sacrificial service of veterans and their family members. We provide ongoing training for stylists and understand additional training and education are often needed by our military to pursue civilian careers. These Help A Hero scholarships are just one way Sport Clips team members, clients, and product partners help us express our gratitude for protecting our freedom and help provide for the future education and success of those who've served," said Gordon Logan, Air Force veteran, VFW Life member and founder and chairman of Sport Clips.

As the nation's leading provider of men's and boys' haircare, veteran-founded Sport Clips began work with the VFW in 2013 to provide Help A Hero scholarships. To date, the program has awarded more than 2,900 scholarships totaling more than \$13 million.

"We can't thank Sport Clips team members, clients, and product partners for their kindness and generosity that goes much further than simply helping to ensure veterans transition
