

VA: Committed to Suicide Prevention and Good Mental Health in Veterans

Mar 24, 2011

The VA is committed to addressing the issue of suicide among our Veterans and offers a network of support available to those who have served our country.

VA provides a confidential 24/7 Veterans Crisis Line for Veterans in crisis and their families. Trained VA professionals are available at all times to assist Veterans and their family members.

Veterans and their families do not have to be enrolled in VA to use the free, confidential Veterans Crisis Line.
