

[CORRECTION] VFW Names 2011 Webaward Winners

Judging was based on navigation, load time, design and overall content

May 05, 2011

The VFW Communications Department has selected the winners of the 2011 VFW WebAward Competition.

This year nearly 60 entries were received. Judging was based on navigation, load time, design and overall content. Entries were divided into two separate categories: VFW Departments and VFW Posts/Districts.

The first-place winner in the Department category is the [Department of Wisconsin](#). Second place has been awarded to the [Department of Pacific Areas](#).

In the Post/District category, [Post 5702](#) has been named this year's first-place winner, with [*Post 5627](#) being awarded second place.

This year's contest proved especially difficult to judge due to the number of quality websites submitted by our Posts, Departments and Districts.

Everyone who submitted an entry deserves praise for their hard work and creativity. Please continue to keep up the good work! We look forward to next year's competition.
