When combined with the Department's initial \$10,000 donation presented to the Commission in January, yesterday's donation brings total funds raised to \$27,050.

The department's ongoing efforts to honor VFW Posts and those who served in World War I will continue through financial support of the Commission's work. The third installment of the Department's pledge will be presented at the VFW Department of Georgia Convention in Macon, Ga., on June 16, 2017.

On March 21, 2017, VFW National Headquarters proudly presented the national World War I Centennial Commission with a check for \$100,000 in support of the upcoming "Centennial Commemoration of the U.S. Entry into World War I" event on April 6. [Read more here.](#)
